9th September 2009

A note from the Headteacher

Welcome

Our new school year is already well underway. We welcome many new pupils to our school.

Uniform, PE kit and water bottles

It has been a pleasure to see the children smart in their school uniform and almost training-shoe free. Please make sure that your child always wears school shoes to school and has PE kit in school every day.

We would also like to encourage all children to have a water bottle in school. Topping-up with water helps children concentrate and learn better too.

Swimming

We are pleased to have arranged swimming for children in Years 4,5 and 6. Children will have two terms of swimming lessons at Mote Park Leisure Centre each school year.

Health and Safety Week

We are having a week focusing on Health and Safety from 19th—23rd October. Parents and friends will be invited in to school to find out all that we have been learning so please put the dates in your diaries now!

New School

You may have noticed that demolition work is well underway on the new school site. We will keep you informed on the progress of this exciting project.

Louise Stubberfield
