Dear Parents / Carers

### Book Bundle Scheme for all families

We are very pleased to re-launch our **Book Bundle scheme** for all families who are currently home learning. Children who are in school as part of the Keyworker entitlement, will continue to receive their reading books in class. Reading for pleasure is the single most important factor in determining the future successes of your child and we are committed to supporting you with books at this time.

We would like to invite **one parent to collect** a pre-selected bundle of books for your child at a designated time. These books have been selected by your child's Class Teacher. For children in Reception and in Year 1 and Year 2, we will be offering a pack of 3 books from the Oxford Reading Tree or Bug Club books which will relate to your child's current reading level. For all pupils in Year 3, Year 4, Year 5 and Year 6, the book bundle will contain up to 3 Accelerated Reading books, also matched to your child's reading level. If you have children in different Year Groups, we will try to arrange for you to collect books at the same time for your convenience. Please bear with us as we manage this together.

The Book Bundle service will re-launch on **Monday 18 January according to the timetable below**. It is very important that you stick to the timings shown so that we may keep everyone safe and so that we comply with social distancing. Mrs Parajuli and another member of staff will lead this service and record bundles collected by you. The service will run on a weekly basis: the second week you may return your bundle and another one will be ready for you to collect. Returned books will be left in special boxes for 72 hours, sanitised and then returned to the school library. The service will be operated at the front of the school under the canopy. Please use the social distance markers on the path to wait for this service.

Please see the school timetable below. **Please note that one parent only may attend – no children will be admitted to the school site.**

We were very grateful for your kind comments about this service last June and hope that it continues to be successful for all our families. Please remember that you can contact your Class Teacher through their dedicated class email address if you have any reading information – or requests – that you would like to share. We will try our best to accommodate these. The children can also use their TEAMS channel in order to share and discuss books.

In the meantime, we hope that you all remain safe and well. You are in our thoughts every day.

Kind regards

Sue Heather
