Dear Parents and Carers,

I hope you all had a wonderful Easter holiday although the weather was very disappointing and I trust you managed to spend some quality time with your loved ones due to the change in Covid restrictions.

You will have noticed that the school will be closed on Thursday 6th May due to the school being used as a Polling Station for the local elections. We have spent many hours discussing whether we could open the school safely for the children to attend, but because of safeguarding concerns, and the need to ensure onsite social distancing restrictions are considered, reluctantly we have determined the school must close.

We understand that after lockdown this is very unfortunate indeed, however we will be offering online virtual learning, via Teams and a timetable for the day will be made available to you. We will of course ensure paper packs are available for those families who would prefer these. More details will be provided in due course.

Thank you for your understanding and continued support for the school.

Best wishes

Sue Heather
