Tuesday 7th June

Dear Parents and Carers,

As part of the Science and Personal, Social and Health Education curriculum, Year 6 will be covering aspects of Relationships and Sex Education on the afternoons of Tuesday 21st June, Wednesday 22nd June, Tuesday 28th June and Friday 1st July 2022.

We understand that this important part of the curriculum covers some sensitive issues so we decided to attach our presentation for you to view in the comfort of your own home. These slides will explain the content of the lessons and show some of the materials we will use. If you have any questions after viewing the presentation please get in touch with us so we can answer your queries.

We will be using a resource called "Growing up... Growing wise" produced by the charity Lovewise. The resource is designed to teach pupils about the nature and purpose of the changes of puberty, to help them deal with these changes in a practical way and to encourage them to make wise decisions as they develop and mature. The lessons will also discuss relationships and teach about conception and birth in an age-appropriate way.

You do have the right to withdraw your child from these lessons although we would encourage you to discuss your concerns with us first. If you would like to withdraw your child please advise us by contacting the school office by Friday 17th June 2022 – office@abc.aquilatruster.co.uk.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Sue Heather'.

Mrs Sue Heather

Headteacher
