Dear Families,

It is that time of year again when children are becoming poorly and families do not know whether they should send them to school or not.

To help us all, the NHS has created a website – a useful tool to support parents make the right decision for their child. You can access the website using the attached link

<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

The message seems to be if a child has a high temperature keep them at home, if not they can come to school.

If you do decide to keep your child off school due to illness it is important you contact the school before 9am each day your child is absent; failure to do this may result in an unauthorised absence being recorded or a visit from myself and Mrs Gooding.

I hope this information is useful, but if you are still unsure please ask us.

Very best wishes,

Sue Heather
