

Pirate Adventure – Pirate Pete can't find Polly

This is Pirate Pete and his parrot Polly. They are best friends.

They explore The Seven Seas on their trusty ship.
It is called The Jolly Roger.

Pirate Pete and Polly have had many adventures together.

One morning, Pirate Pete woke up in his cabin. He yawned. The sun was shining in through his porthole.

“Good Morning, Polly!” he cried.

There was no answer.

Pirate Pete looked around but Polly was nowhere to be seen.

He climbed out of his hammock. He checked behind the anchor.
She wasn't there.

He checked all over The Jolly Roger. Polly was no where to be seen.

Pirate Pete wondered where Polly could have gone.

He asked Pirate Paula if she had seen Polly.

She hadn't seen her either.

Pirate Pete was worried. Just then, he heard a clank. He heard a rattle and a clatter. The noise was coming from the treasure chest.

Pirate Pete was scared.

He carefully tip-toed across the deck. He reached out to the lock and twisted the key.

Suddenly, Pirate Pete was knocked backwards as wings flapped at him.

“Squawk!” howled Polly as she flew out of the treasure chest.

“There you are!” shouted Pirate Pete.

“Found me!” squawked Polly. “I love playing hide and seek. It's your turn!”

Pirate Adventure – Comprehension

Section A

Decide whether each statement is true or false

	True	False
The Pirate in the story is called Pete.	☐	☐
Pirate Pete has a pet octopus.	☐	☐
Pirate Pete couldn't find Polly.	☐	☐
Pirate Paula knew where Polly was.	☐	☐
Pirate Pete sleeps in a hammock.	☐	☐
Polly wasn't behind the anchor.	☐	☐
Polly was hiding in the treasure chest.	☐	☐

Section B

Use the story to help finish these sentences.

Pirate Pete's parrot is called .

They explore The Seven Seas together on their trusty ship, .

Pirate Pete climbed out of his .

Pirate Pete looked for Polly behind the .

The noise was coming from the .

Pirate Pete carefully tip-toed across the .

He reached out to the lock and twisted the .

I love playing hide and seek. It's your .

Section A

Label the body parts of Pirate Pete

A cartoon pirate character named Pete. He is wearing a black pirate hat with a white skull and crossbones, a black eye patch over his right eye, a red and white striped shirt, blue pants with a yellow belt, and black boots. He has brown hair and a friendly smile. Arrows point from various empty rectangular boxes to different parts of his body: his head, eye, nose, mouth, neck, fingers, leg, and foot.

foot	head	fingers	neck
mouth	leg	nose	ear

Section B

Label the body parts of Pirate Pete
Label the five senses

Body Part

Sense

The same cartoon pirate character as in Section A. Arrows point from empty boxes to his body parts and from other empty boxes to his senses. On the left, there are two boxes for 'Body Part' and 'Sense' with arrows pointing to his ear and leg. On the right, there are four boxes for 'Body Part' and 'Sense' with arrows pointing to his hat, eye, nose, and hand.

Body Part

Sense

Body Part

Sense

Body Part

Sense

ears	fingers	nose	mouth	eyes
touch	taste	hearing	sight	smell

Section C

Choose the three things that Pirate Pete's parrot needs to survive.

feathers

tail

water

food

nest

legs

air

fur

Section D

Tick whether the item is what Pirate Pete and Polly Parrot need, or what they want.

	Want	Need
A pirate ship to live on	☐	☐
Oxygen to breathe	☐	☐
A shiny belt buckle	☐	☐
Water to drink	☐	☐

	Want	Need
A rope toy	☐	☐
Fruit to eat	☐	☐
A bed to sleep in	☐	☐
A perch to sit on	☐	☐

Pirate Adventure – Map Directions

Section A

Follow the instructions. Which space have I landed on?

From start, move north 2 spaces

From start, move east 2 spaces

From start, move west 1 space

From start, move south 2 spaces

Section B

Follow the instructions. Which space have I landed on?

From start, move south 1 space, then west 1 space

From start, west 1 space, then north 2 spaces

From start, move east 2 spaces, then south 2 spaces

From start, move North 2 spaces, then east 1 space

Section C

Write the instructions to land on the given space. The first one has been done as an example.

From start, move north 2 spaces

Section D

Write the instructions to land on the given space. The first one has been done as an example.

From start, move north 2 spaces, then move east 1 space
