

Is everything in order?

Super Challenge 1

1. a) Can you find a 6-letter word whose letters are all in alphabetical order? There is one on page 66 of the *Oxford School Dictionary*, and another two on page 116. What are they?

.....

- b) The letters **a**, **e**, **i**, **o**, and **u** are called vowels. Can you find a word that has all five of these vowels in it, in the correct alphabetical order? There's one on page 3 of the *Oxford School Dictionary*, and another on page 242. What are they?

.....

2. In a dictionary the headwords are the words you look up. Headwords are listed in alphabetical order to make them easy to find.

- a) Put these headwords into a single alphabetical list. Check the *Oxford School Dictionary* afterwards to see if you got the correct order.
