

Key Stage 1 EASTER HOME LEARNING

1st April 2021

Dear Parents/Carers,

Thank you for your continued support throughout this year. We are sure you will join us in praising the children for the resilience they have shown, and their amazing attitude to returning to school this term. It has been wonderful to have 'our' children back in the classrooms and such a joy to see them interacting with their friends. Even more exciting for us as teachers, is seeing how quickly they have settled into the daily routine, demonstrating our school values in their attitudes and behaviour. They have shown a keen interest in their learning these last 3 weeks of Term and for this reason, we would like to offer some ideas for to support the children's learning over the Easter Break.

Please see attached our Key Stage 1 Easter home learning sheet. We have suggested some reading, writing, maths and wider curriculum activities. Our new topic next term is Mud, Mess & Mixtures. Perhaps you'd like to have a go at making one of Roald Dahl's Revolting recipes? Let us know how it goes. <https://www.roalddahl.com/create-and-learn/make/revolting-recipes>

We have organised some incentives for the children so if they can show they have completed 4 activities they will receive a certificate, if they complete 6 activities they will have an extra breaktime and if they complete all 8 then they will receive a prize from our special prize box and a raffle ticket entry for an extra special prize!

Please bring in any evidence of what you have done in to school by the end of week one in Term 5.

We hope that the children will enjoy completing these activities.

We would like to wish you all a very happy Easter and hope you have a fabulous half term break.

Kind regards

The KS1 Team

Mrs Jewell, Miss Haines, Miss Paul, Mrs Barnes, Mrs Finn, Mrs Almeida & Miss Kaur.
