

Hi, I'm Hild an Anglo Saxon girl. I'm going to tell you about my life on the ~~far~~ farm. I'm up just after dawn to help cook breakfast after collecting fresh eggs to prepare. Then I fetch water from a nearby stream to drink and ~~to~~ wash up with. We cook all our meals in a fire ¹ Caldren over a ~~fire~~ ² fier. After I help my friend ~~help~~ collect ~~fire~~ wood to keep us toasty warm! After that my mother gets me to help cook supper and after I've eaten I get a weaving ~~lesson~~ lesson. It's super hard but I have to do it. Next I help cook ~~sup~~ dinner (meat, carrots, leeks, ³ cabbedge and peas). If the harvest isn't good it can also contain twigs and ⁴ singing nettles.

1. Caldron
2. cabbages
3. ~~believe~~ believes
4. fields

My day however is very different to my brothers. He's been up since ~~dawn~~ dawn to stocking up on wood ~~and~~ and giving the animals an early breakfast. It's very funny to see him take the long route as he ³ believes some fields are cursed but nothing will happen to him ~~as~~ as long ~~long~~ as he has his lucky ~~far~~ charm ~~he~~ he should know that. He is also learning how to hunt like my father using dogs and hawks. It is a tradition that boys learn the skills of ~~their~~ their fathers so that's what he spends his time doing.

It's not all work though. Sometimes I play with the other children ~~or~~ practice juggling. Boys learn to make things out of ~~or~~ wood and metal ⁴ like toys that are also one of the things we play with.

That's all from me today bye!

Dear the people of England,

I'm writing to inform you about what a great king I would be. I understand that the taxes you pay are £100. If I were to be your king I would only have you pay half which is £50. Also you may not know that King Harold promised I would be King. Also I would give you fine houses and ~~clothes~~ clothes made of the finest wool, boots of the ~~finest~~ ¹ finest leather. I could fill ~~pages~~ ² pages of all I could provide you ~~with~~ ³ with ~~with~~ with. I would have everyone treated fairly ~~even~~ even slaves!

1) most comfortable
2) patient
3) attacks
4) metal
5) handsome

6) reasons
7) yourselves
8) faithfully

In this matter I think that I'm far better than Harold. I have been more ² patient which ~~is~~ ¹ is a very important skill to have. I ~~am~~ ³ am far more ~~intelligent~~ ⁴ intelligent when it comes to map reading, ⁵ surprise ³ attacks, wood-work, ⁴ metal work, maths, writing, looking ⁵ handsome and winning battles. All of ~~these~~ ~~these~~ are reasons why I should be your King.

In ~~conclusion~~ ⁶ conclusion I am sure you will agree that I am superior to Harold and I ~~am~~ ⁷ am would be a better King. So in battle find ⁷ yourselves dead on Harold's side ~~and~~ or alive and rich on mine.

yours ⁸ faithfully

future King of England
William of Normandy.

Dear Earl Harold,

As the future King you will need to be prepared. please read this job description that contains what you will need to know to be a king.

What does a king need to do and what does he need to know?

A good king needs to know how to run an army. To do this you must be: Commanding, be able to plan an attack, guess where and when the enemy will attack, reliable, be prepared to take risks and most importantly make quick decisions. You also must be able to run England. To do this you must make the best decisions for your people. Taxes are very important. You must be able to choose fair taxes so that your people will pay them.

1. Commanding
2. important
3. decisions
4. Superior
5. Empire

Experience

As you are one of my many Earls you know how important leadership is. You must earn your Kingdoms respect. To do this you may have to make sacrifices. Such as: lowering taxes, giving up servants and slaves, buying food for the poor. Your people MUST like you in order to have a Superior empire to everyone else.

please come to my palace to talk to
me properly.

yours faithfully

King Edward

P.S don't tell anyone but your
son Maungus (your heir) that
you are my heir!
