

Writing

Complete 5 of the activities:

Write a diary during your time off school.	Read a book and write a book review. Include a synopsis, describe the main characters and explain why you enjoyed the book. Suggest who might enjoy reading it.	Read an article in the newspaper and then write your own newspaper article about a current event.
Write a story about immigration.	Take a photograph of something interesting and then write about it: you could write a story or you describe it.	Write a poem (no rhyming)
Research a European country and write about it (not the country you were born in or England). Include information about the climate, landscape, language, national sport, national food and more.	Read a book and imagine you have been asked to write another chapter at the end.	Read a book and write a story based on one of the characters in it.
Collect a number of pictures of living things: animals and plants. Sort them into groups and then explain your classification choices. (You could Google <u>KS2 Science classification</u> to help)	Research Carl Linneaus and write his biography.	Research a famous person who is an immigrant and write their biography.
