What is the Learning Village?

- ✓ 9,000+ words presented in meaningful photographic visuals
- ✓ 900+ grammar & vocabulary lessons presented in meaningful photographic visuals

Blended learning EAL programme providing targeted learning for 6-14 year-old English language learners in schools where English is the language of instruction.

How can the Learning Village help your child?

- ✓ **Boosts learner progress**
- ✓ **Builds learner confidence**
- ✓ **Increases learners' capacity to support themselves**
- ✓ **Simulates learning the language to make friends**

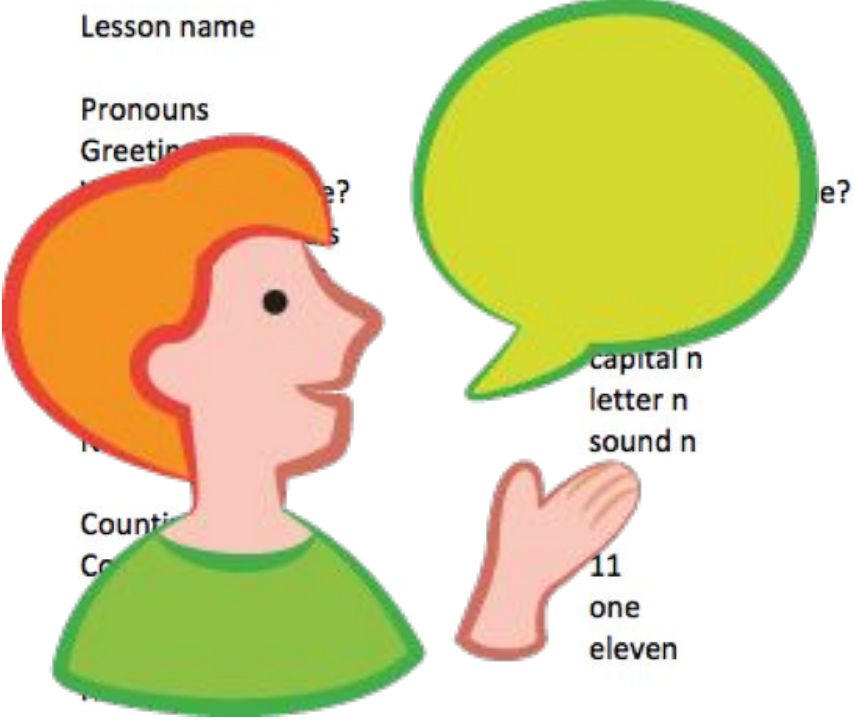

Built on three journeys of learning

New-to English Learning Journeys

Absolute beginner:

Session name	Lesson name
1. Making friends	Pronouns
	Greeting
	What is your name?
2. Counting 1-20	Counting
	One
	Eleven
3. Colours and the Classroom	Colours
	Classroom Vocabulary 1
	Punctuation

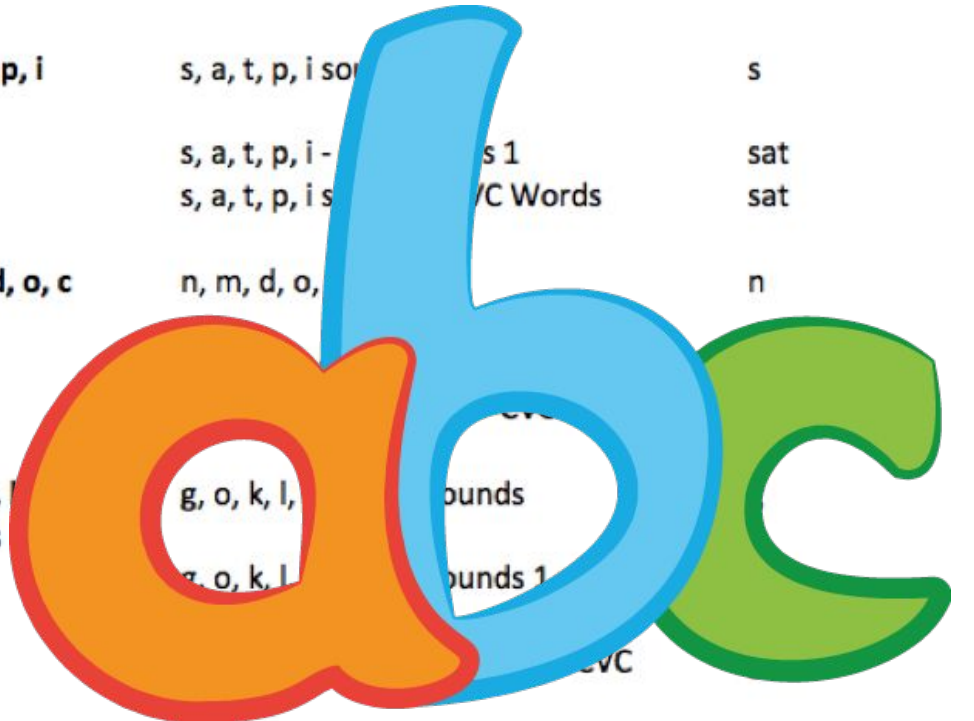

Survival language

New-to-English to intermediate lessons, including the basics of vocabulary and language structures

Phonics Learning Journey

Session name	Lesson name	Example
Phase 2		
	1. s, a, t, p, i sounds	s, a, t, p, i sounds
	2. n, m, d, o, c sounds	n, m, d, o, c sounds
3. g, o, k, l, r, e, u, h sounds	g, o, k, l, r, e, u, h sounds	g, o, k, l, r, e, u, h sounds
	4. ck, h, b, f, l, ss sounds	ck, h, b, f, l, ss sounds

Phonics

The teaching of reading through sounds

Curriculum Content

The term 'Curriculum Content' is used in this context to describe the academic language that can be aligned to the learners' curriculum of study. Here are some examples of what is available. There are over 500 lessons available.
