

Macmillan Cancer Support

We need your empty tubs!

This year we are collecting any empty tubs such as Heroes, Quality Street, Roses, Celebrations, Crackers etc.

These tubs will be dropped off to be used in the Tub2Pub appeal.

This appeal takes the tubs to be shredded and recycled so they can be sold to manufactures again instead of making 'New Plastic'. All funds raised from the sales will be given directly to Macmillan Cancer support. To help those in need.

Please send in any tubs with your children.

Many thanks for your continued support.
