

Meet the TEACHER

Miss Sutherland Jays Class Teacher

Hello! My name is Miss Sutherland and I grew up in Wimbledon, London (where they play tennis!). I earned my degree in 2015 from Canterbury Christ Church University. I had my first teaching experience, teaching in year 3, I then came to ABC and taught in year 5 and this will be my third-year teaching in Reception at ABC! I love teaching in Early Years as I find it really rewarding watching you grow into life-long learners, I love engaging in explorative play and using our wonderful outdoor space for active learning! We also have lots of fun and spend our days laughing and smiling together!
