Part A: Pupil premium strategy plan

Statement of intent

Pupils at Archbishop Courtenay, will make expected progress in reading, writing and maths, through quality first teaching and increased opportunities for reinforcement of learning at home. We aim for disadvantaged pupils to have access to a wide range of interventions in schools to meet their needs, so that children are **ready to learn**.

As a richly unique school, with diverse children, we have found common barriers to learning for disadvantaged children, can be less support at home, weak language and communication skills, lack of confidence, more frequent behaviour difficulties and attendance and punctuality issues. There may also be complex family situations that prevent children from **thriving and flourishing together**. The challenges are varied and there is no “one size fits all”.

Children are nurtured with kindness and compassion, we will provide an intensive pastoral support service for pupils and parents, identified by school as vulnerable or in need. We will aim for disadvantaged pupils to increase their attendance at school, therefore closing the gap between themselves and non-disadvantaged pupils and thus enabling them to experience the full learning experience at Archbishop Courtenay.

At Archbishop, we aim to **make a strong, resilient and proud community**, therefore we will facilitate pupils accessing a wide range of enrichment experiences both in and out of school, which will positively impact on their academic achievement and well-being.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	<i>Attainment and progress of the pupils (Writing, Maths and particularly Reading) is impacted by lockdown, home life and low starting points. (SDP 1.1, 1.2, 1.3, 4.2, 4.5)</i>
2	Many of our Pupil Premium children also fit into other vulnerable groups (SEN/EAL) and there is an increased numbers of pupils with complex needs, including mental health issues. (SDP 4.4)
3	Limited life experiences and opportunities to join in enrichment opportunities, meaning knowledge of the world and vocabulary acquisition is limited. (SDP 2.2, 3.1, 3.3,)
4	Attendance and Punctuality issues. (SDP 2.1)
5	Parental engagement (SDP 1.2, 2.2, 4.2, 6.2)
6	Quality of teaching and learning (SDP 1.1, 1.3, 4.2)

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Pupils make at least expected attainment and progress in reading, writing and maths.	-Gap will close in progress made between PP and non-PP.
Pupil premium children will make good or better progress in reading – this will help vocabulary acquisition	-PP children will develop a love of reading -They will be regularly heard read by an adult at home and an adult in school
Pupils access a wide range of interventions	-PP pupils make expected more progress and attainment standards.
PP attendance increases and is in line with non-PP children. (For attendance to be 'good' compared to national attendance 96%)	-Attendance of PP pupils increase and the gap between PP and non-PP narrows. -Attendance officer will promptly call families who have an absent child without reason Attendance officer tracks daily attendance -Reward system to be used for classes with 100% attendance.
Pupils access and enjoy a wide range of enrichment experiences both in and out of school.	-Pupil surveys reflect enjoyment in school and improved attitudes to learning. -Social skills, independence, perseverance and team work are developed. -A wide range of extra-curricular activities will be offered to tap into our children's passions -Pupil premium children will be prioritised for clubs -Discounts in line with our charging policy will continue to apply to pupil premium families for all enrichment opportunities to include trips and visits, residential etc
Improved attitudes to learning - These children still feel happy and safe at school and engage with their learning.	-Less behavioural incidences occurring within the classroom – monitored on Bromcom Pupil premium children will engage with the wider life at ABC by joining the pupil's groups (ie worship warriors and peer mediators) -Children's attendance will remain high because they are happy coming to school -Pupil voice surveys will report that PP children are happy and safe in school

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2022 to 2023 academic year.

Strategic aims for disadvantaged pupils:

The pupil premium progress gap has reduced across reading, writing and maths, across all year groups. Due to migration of pupils in and out of the school, this is a more positive picture when looking at the progress our pupil premium children make since joining the school, this academic year.

EYFS pupil premium children have performed better than national by +23.2%. The pupil premium children in Year 1 have increased their attainment in phonics by +5.6%. KS1 pupils' attainment has improved in reading +2.7%, writing +13.9% and combined +13.9%. KS2 pupil premium pupils' have made higher than average progress: Reading 0.94 (+2.21pts), Writing 0.37 (+0.37pts). Progress in maths is slightly more limited -0.47, however is an improvement of +1.86pts.

2022-2023 Pupil premium attendance was 87.1%, 3.9% lower than the whole school attendance. However this is a Pupil Premium increase from their previous year of 2.9%, and a closing of the attendance gap by 2.3%.

	2021-2022	2022-2023
Whole School	90.4%	91%
Pupil Premium	84.2%	87.1%

Children enjoy coming to school and feel safe – Ofsted 2023 pupil voice questionnaire. Children have developed their social skills and team work through a range of the workshops, the introduction of 10 minute teaches and new playtime/lunchtime equipment. All pupil premium children have access to a wide range of clubs throughout the school year. All of these clubs/experiences are budgeted for from the pupil premium budget and support is offered.

There are less behaviour events over time however there is an increase in suspensions and permanent exclusions.

A high proportion of school leadership roles are taken by Pupil Premium children.

Teaching priorities for current academic year:

There have been a range of CPD opportunities for staff:

- Trauma Informed
- Nurture UK

- Ace's training
- Inclusive Leadership
- Mitigation to Success.
- NPQ

We have continued to broaden the curriculum for our pupils. This has included the introduction of forest school, outdoor learning, changing our MFL language to Spanish, more active learning approaches in all lessons, new maths/English resources and a variety of therapies including Equine.

All pupil premium children have made progress on Accelerated Reader.

Targeted academic support for current academic year:

Quality of education is deemed Good – Ofsted 2023. Maths and English continue to have a high profile on the school development plan and have improved over the year. We continue to evaluate the impact of this through pupil progress meetings to monitor the attainment and progress of our pupil premium children.

There is a range of software that our pupil premium children access, such as Learning Village and Times Table Rockstars,

All children receiving play therapy have made progress in their strength and difficulties questionnaires and Boxall Profiles.

All children have made improvements on Boxall profiles.

Wider strategies for current academic year:

Parent survey's have been positive – Ofsted 2023. All families offered support from the local authority. Parental engagement has increased and parents have enjoyed attending workshops such as the Phonics Workshop led by the Phonics lead.
