

$2 \times 5 = \underline{\quad}$

$3 \times 5 = \underline{\quad}$

$5 \times 5 = \underline{\quad}$

$4 \times 5 = \underline{\quad}$

$1 \times 5 = \underline{\quad}$

$6 \times 5 = \underline{\quad}$

$7 \times 5 = \underline{\quad}$

$8 \times 5 = \underline{\quad}$

If you times all the blue eggs by 5,
how many are there? $\underline{\quad}$

Can you write this as a sum?

$\underline{\quad} \times 5 = \underline{\quad}$
