

# Lower Key Stage 2 News

**Friday 9th October 2020**

## **This week's learning**

We have been learning outside this week and the children have thoroughly enjoyed their Autumn Walk collecting leaves and objects. Then the children thought of words to describe their leaves and objects e.g. deep

red leaf changing colour. This was then turned into an Autumn poem. We have continued with our book Gregory's Cool and have written some character descriptions about Gregory and Lennox.

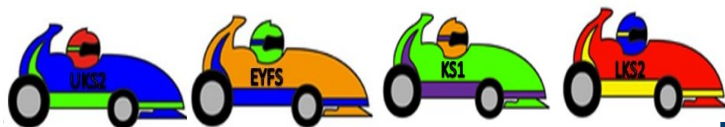

In Maths the children have been rounding to the nearest 10 and 100. In

RE we have looked at the story of Jonah and the Whale again and the children remembered a lot of key facts from last week. This week the children have created their own comic strip version of the story.

In History we have started thinking about what the children already know about Egyptians from looking at the Egyptian timeline. Then the children wrote questions about what they want to find out about The Egyptians. We used a technic called KWL - K what you think you know, W - what do you want to know and L - what have you learnt already. In Art the children have created line drawings of a Pharaoh's mask.

## **ATTENDANCE**

Well done to UKS2 with first place of 97%, and EYFS with 95%. KS1 and LKS2 need to try and improve their attendance with KS1 93% and us, LKS2 with 92%

## **Lower Key Stage 2 Super Stars**

Well done to **Hanna and Kai**, for being Teacher of the Week and talking confidently. Great History research questions from **Emilia** and **Dimitar** for being an enthusiastic and a resilient learner when he finds his learning tricky.

## **Next week's learning**

In English we will be continuing with our book Gregory's Cool and building the grandparents house. We will also write a letter home from Gregory to say how he is feeling staying with his grandparents and what he has been doing. In Maths we will be practising our times tables on the computer as well as continuing with rounding numbers to the nearest 10 and 100.

In RE we will be looking at Hymns and thinking about why do Christians sing hymns. In History we will be looking at Pyramids and how and why they were built and in Science we will be heating solids.

## **Autumn leaves**

## **Dates for the Diary & Reminders**

**Monday 12th October - School individual photographs.**

**Half term Monday 19th October to Sunday 1st November. Back to school on Monday 2nd November.**

**PE Kits on Thursday for PE and please wear school jumpers or cardigans.**

**Packed lunches** - should not contain any nut ingredients such as Nutella and peanut butter as we have children with allergies in school.
