School trips and experiences – LKS2

Dear Families,

At Archbishop Courtenay Primary School, we love to give the children additional experiences to support their learning. We find that when our children have a hands-on experience they are able to apply the learning to other areas of the curriculum and remember key information better.

As a school we ask for voluntary contribution towards the experiences, however, if we do not receive enough support from our families, some experiences will be cancelled.

All trips are now payable through MCAS or with cash at the main school office.

We are also mindful that having lots of school trips can be costly and are sometimes difficult to pay for, at short notice. Due to this, we have tried to arrange the whole years trips/ experiences/ workshops to support families with paying for these.

If you require a different payment schedule, then please do not hesitate to contact the school office, who will be able to support you with this.

Please find a list below of some of the experiences the children will have in 2024-2025. You will receive letters with more details, specific days and reminders closer to the time.

This academic year, we have tried to further reduce the cost of trips due to the current economic climate, by reducing the number of coach-led trips.
