Read by yourself or to an adult every day for at least 20 minutes. Try these free online books (check the Reading section of the class webpage). Are you aware that your adult can collect AR books from the school every Tuesday morning? Continue our series on Wonder by RJ Palacio. There is lots to read this week - I have recorded each chapter - you can listen and follow the text if you wish.	Writing tasks this week: You will be writing a diary entry and a newspaper report. Grammar lessons will focus on fact and opinion and also direct and indirect speech. Check here for the lessons.	We will be investigating maths in nature and architecture and looking at the mathematical structure of spirals. Mathletics TimesTables Rock Star	Year 6 will be focusing on Preparing to go to Secondary School and also thinking about how we have managed at home. Make sure you check out our Getting Ready for Secondary School page and download the Getting Ready to Transfer booklet.	Classification: identify and classify the characteristics of different creatures. * Identify different animals * Match types of animals to their characteristics * Design a creature that has a set of characteristics of one type of animal * Classify creatures based on their characteristics	Islam2 Why do Muslims go on pilgrimage? * What do Muslims wear to perform Hajj?	Emotions, Feelings and Art. Investigate The Scream by Edvard Munch

Homework

To help prepare you for secondary school, Year 6 pupils will be given homework **every day** - this includes for those children who are learning from home. Every day, homework will be posted on the class web page but this won't be posted until the afternoon. You will be given a timeframe within which to complete the work: either for the following day or a few days' time. It won't be onerous but it will help you to develop good learning habits. You will be asked to email your homework to me by a given deadline.

This term, if you are working at home, I would also like you to email your work to me **every day**. Take a photo of work on paper, email me a document (e.g. Word or Power Point document) or scan your work to me. If you complete work on Mathletics, send me a message to let me know what you have.
